ARTICLE SUBMISSION GUIDELINES FOR AUTHORS

All completed soft copies are sent to dmjon2080@gmail.com. More so authors are also required to call or Whatsapp this number +2348039580583 after submission of paper.

Articles should be typed in Microsoft Word using 12 font size in A 4 size paper (Times New Roman), and they should be between 4000 to 5000 words in single line spacing.

Contributors are advised to present papers in line with any of the following styles of referencing: 7th Edition of American Psychological Associations (APA), 7th Edition of Modern Languages Association (MLA), or Turabian Style of Referencing (TSR).

Page one of the manuscript should contain the title of the article and a running head of not more than 40 characters, including space, while page two should contain a short abstract of 150 to 250 words.

Contributors are advised to use either British English or American English

ARTICLE PUBLICATION AND PROCESSING FEES

Many Academic Journals that are in the university community are self-sponsored. Most of the journals do not receive financial support from institutions or government. This journal therefore depends on article processing and publication fees. The publication fee is used for internet services, servicing of the website and uploading of articles online, etc. Therefore the online publication fee is **₦25, 000** for a single author, while for more than one author is **₦35,000**. The journal hard copy is sent on request with a payment of a particular amount of money depending on the number of pages. The publication fee is paid after an article has been accepted. For authors outside Nigeria, the total online publication fee is \$60

COPYRIGHT OF PUBLISHED PAPER

Academic articles are published by Academic Journals. Due to this fact, this Journal does not retain Copyright Ownership of the published articles. The authors or contributors retain the copyright to their articles.

JOURNAL OPEN ACCESS POLICY

The management of this journal allows open access to its contents. All published articles in this journal can be accessed by any person who has a good internet connection.

ARTICLE PRESERVATION

The PKP Preservation Network (PN) provides preservation services for this journal. More so, articles published in this journal are also preserved in the computer system and external hard disk

THE JOURNAL LICENSING
